## HAZTEK SAFETY MANAGEMENT PROUDLY PARTNERS WITH THE NORTHERN NEW JERSEY CHAPTER OF NECA TO PROVIDE SAFETY SERVICES TO ALL NECA MEMBERS

**HazTek Inc. is a leading provider of comprehensive safety management services designed to protect workers by enhancing workplace safety.**

Since 1997, HazTek has been partnering with companies across many industries to eliminate accidents and create a culture of safety that reduces costs – while improving employee productivity and morale. With offices nationwide and over 160 salaried field professionals, HazTek is a full-service, objective safety partner that protects people, property, and the environment.

**As a member of the Northern New Jersey Chapter of NECA, you are entitled to a FREE safety assessment from HazTek.**

A HazTek safety consultant will meet with you at your office or job site to perform a gap analysis of your existing safety program and provide you with a recommended action plan for you to share with your team. All NECA members are encouraged to take advantage of this valuable consultation as a positive next step toward keeping all of our members accident and injury free. Call HazTek to schedule your FREE assessment today.
